1 Introduction

Dear Supplier, thank you for providing goods or services to Accenture Group. Accenture always aims to pay suppliers on time, within the payment terms that have been agreed, and will also follow local government regulations. This can only be achieved with the co-operation of our suppliers – please follow the guidelines outlined in this document to ensure that we can meet these targets.

2 Establishing and maintaining your Accenture supplier profile

- In case you need to update your supplier profile, you kindly need to log onto our Supplier Registration Portal <http://accenturesupplierportal.com.br/> and review the data you'd like to update. Please make sure that the contact and payment information that Accenture has is always up to date. If your mailing address, business email address, contact information, banking information or phone numbers change, please notify us as soon as possible. Also, please keep in mind that for bank information updates (and other critical data, such as email, telephone) there will be a cross check carried out by mail or telephone.
- In case you need additional support to update your data in our Portal, you can contact us through the following box Vendormasters.Brazil@accenture.com
